ACADEMIC PROCESS

The University follows semester system of 16 weeks duration with continuous and comprehensive assessment. Each semester of study has minimum requirements of number of course credits that must be taken. The first year B Tech course of study is common to all branches of Engineering.

The medium of instruction and exam for all courses offered by the institute is English.

Duration of the Course is 8 Semesters for BE / B Tech and 4 Semesters for M Tech / MCA.

The entire eighth semester for BE / B Tech course, fourth semester for MCA as well as third and fourth semesters for M Tech are for project work.

COURSE NUMBERING SYSTEM

The courses offered by each Department are coded with 3 letters indicating the department offering the same. The following codes are used for the different departments:

DEPARTMENT	CODE
Aeronautical and Automobile Engineering	AAE
Bio-medical Engineering	BME
Bio-Technology	BIO
Chemical Engineering	CHE
Civil Engineering	CIV
Computer Science and Engineering	CSE
Computer and Communication Engineering	CCE
Electronics and Communication Engineering	ECE
Electrical and Electronics Engineering	ELE
Information and Communication Technology	ICT
Instrumentation and Control Engineering	ICE
Mechanical and Manufacturing Engineering	MME
Mechatronics Engineering	MTE
Print and Media Engineering	PMT
Physics	PHY
Chemistry	CHM
Mathematics	MAT
Humanities and Management	HUM/HSS
Computer Applications	MCA

The Department code is followed by 3 digits where in the first digit indicates the year and the last two digits indicate the subject code.

CREDIT BASED SYSTEM

Each course, theory as well as practical, is expressed in terms of a certain number of credits. The credits are determined by the number of contact hours per week. For theory courses, 1 Hour Lecture / Tutorial per week is assigned 1 Credit where as for practical courses 3 contact hours per week is assigned 1 Credit.

GRADING SYSTEM

10 point grading system is used to award the student an overall letter grade for the course as shown below:

Letter Grade	A+	A	B	C	D	E	AP	F/I/DT
Grade Points	10	9	8	7	6	5	0	0

AP : Audit Pass Grade is applicable only from 2014 admissions
F : Failure
I : Incomplete
DT : Not permitted to appear for exams due to lack of attendance

The overall performance of a student in each semester is indicated by the Grade Point Average (GPA) which is the weighted average of the grade points expressed as

$$GPA = \frac{\sum_{i=1}^{n} C_i G_i}{\sum_{i=1}^{n} C_i}$$

where   n = Number of courses registered

          C = Course credits

          G = Grade points

The overall performance of the student for the entire programme is indicated by the Cumulative Grade Point Average (CGPA) which is the weighted average of the GPA of all semesters expressed as

$$CGPA = \frac{\sum_{j=1}^{N} GPA_j (\sum_{i=1}^{n} C_i)_j}{\sum_{j=1}^{N} (\sum_{i=1}^{n} C_i)_j}$$

where   N = Number of Semesters

ELIGIBILITY FOR THE AWARD OF DEGREE

A student completes the requirements for graduation when he/she earns the required number of credits specified for all semesters which make up the course

Total no of credits required for obtaining:

   BE / B Tech   -   200

   M Tech   -   75 (90 for admissions prior to 2012)

   MCA   -   80

Minimum CGPA for Graduation is 5.0 and the Maximum CGPA that can be earned is 10

LATERAL ENTRY TO SECOND YEAR

Holders of three years Diploma in Engineering awarded by the Board of Technical Education in Karnataka or equivalent, or B Sc Degree with Mathematics as one of the subjects are eligible to join THIRD Semester under lateral entry scheme
